

Work Hard, Play Hard

LIMEWOOD

Lime Wood, is set in the heart of the New Forest National Park and is just an hour and a half drive from London! Laid-back luxury at its best – the perfect secluded hideaway escape!

Ideal for private parties & celebrations, informal gatherings or as a distraction free setting for a serious brain storming session!

Chefs Angela Hartnett and Luke Holder do the cooking, pulling together both of their much admired signature styles, to create Hartnett Holder & Co, our relaxed and stylish restaurant and bar.

We have a range of flexible spaces that can cater from 4 to 50! So whether you are after that extra special celebration 'do', a creative retreat to come up with your next business venture, or board meeting then why not escape to the Forest and let us do the work.

FUN DINING, NOT FINE DINING

Hartnett Holder & Co is our relaxed, stylish and comfortable upscale restaurant – full of character, yet unpretentious. Angela Hartnett and Lime Wood’s Luke Holder, with their team, create locally sourced English dishes with a respectful nod to the seasons and to Italian culinary ideologies. This is “fun dining, not fine dining”.

Hartnett and Holder’s food is out-and-out British yet comes with the much loved Italian approach to eating – where sharing and provenance is everything!

On our Events Menus you can expect Italian influenced forest dishes with English classics, pulling together both Chefs much admired signature styles.

We also have a Picnic menu for guests whilst they’re out & about!

REST EASY

There is more to Lime Wood than just a great night's sleep, but after a long day in the 'office' or having partied the night away, there is nothing more inviting than a beautiful room and an enormous bed!

Our rooms are the ultimate in understated luxury. You can tuck up in the Main House, take over the Coach House or get closer to nature in the Forest Lodges and snuggle up with your own log fire – oodles of rustic charm.
