*Chargeable Class - To be settled at reception before commencing the class.

Studio, Wellness, Outdoor and Pool Programme

AQUA FITNESS - Using resistance of the water, the body's muscles can be worked more efficiently with benefits of low impact on joints.

AQUA BOX - Using a variety of boxing and kickboxing movements in the water, this class will give you all the strength with none of the impact of bag or pad work.

AQUA HIIT - A fast paced, cardio driven workout in the water. Short bursts of intense exercises using the water as a resistance tool. Invigorating and challenging and lots of fun.

BARRE PILATES - This class is a fusion of moves inspired by ballet barre exercises alongside the strength, flexibility and mobility of Pilates. An intense, high energy class that will improve your all-over body tone, strength and posture.

BODY SCULPT - Hardcore total body workout, which uses a variety of studio equipment to help build strength and shred fat. to those fundamental exercises such as squats/ lunges etc but for those with more experience, it will equally be a challenging session.

BOX FIT - A high intensity class, using boxing combinations, pad work and drills to get you into fighting shape.

CENTRED YOGA- MEMBERS ONLY- Utilises concepts contained within Yoga, ancient martial arts, meditation and breath-work coupled with a modern day anatomical approach to help correct postural imbalances and improve the function and integration of the mind and body.

CIRCUITS - Workout using resistance and cardio exercises targeting the whole body in a circuit format.

Attention given to deep abdominals, superficial abdominals, lower back and pelvic floor.

CORE YOGA - This is a fun dynamic 60-minute vinyasa flow style practice. Flow will change on a weekly basis to challenge the mind and body and the exercises are designed for all abilities.

DANCE FIT - A fun & entertaining dance class. Cha Cha Cha, Jive, Charleston, shake shimmy and smile your way to fitness.

FITNESS PILATES- Traditional Pilates moves performed in sequences at a higher intensity to raise your heart rate and add challenge.

FOREST WORKOUT - Using natural tools of the forest to give you a thorough workout encompassing all the muscles from head to toe.

HIIT - A form of interval training, alternating short periods of intense anaerobic exercise with less intense recovery periods.

INSPIRATIONAL YOGA - A soothing session of Hatha Yoga, dynamic breathing and transcendental meditation that will fill your soul with positive energy and release you from the bonds of lingering stress.

KETTLE BELLS - The dynamic, sometimes ballistic movements will get your heart rate up, challenge every muscle in your entire body and is different from any other routine.

LOWER BODY WORKOUT - This one is all about the largest muscles in the lower body. Focus on building lean/sculpted muscle mass to increase metabolism, burn extra calories and improve balance and joint stability.

MINDFUL MEDITATION- Mindfulness is a set of meditation techniques that will help you gain awareness from paying

attention to your thoughts, breath and body, in the present moment, non-judgmentally, for greater sense of calm and self compassion, emotional resilience and well being."

MET-CON - Fast paced, high intensity workouts that will challenge your cardiovascular capacity, put your metabolism into overdrive and rapidly burn fat.

and martial arts and meditation to wash away the stresses of everyday life and harmonise your inner self.

MORNING YOGA - Applying a gentle range of Asanas in a warm environment, your body will be brought alive in a soothing manner that will fill you with energy for the day. Great for a first experience of Yoga.

MOVE - "This is not your average 'fitness class' - this is a 75 minute weekly workshop based on movement principles and learning new skills. Each session will be taught by David Tilston and will not only compliment your other fitness activities but your whole life in general. It is designed to tap into every area of unexplored movement using some of the simplest tools available to us, "Simple tools = complex beings". No session will ever be the same and will help to mobilise, strengthen and build resilience into your overall human experience. A regular attendance to this class is highly recommended in order to see the incredible benefits - all levels are catered for and beginners are welcome.

PILATES - An exercise method designed to elongate and reintroduce your body's postural alignment. Improve balance, coordination and build strong tension-free muscles.

POWER YOGA - A series of strong and advanced Yoga positions, designed to increase strength, balance and flexibility. Not for those new to Yoga or with an injury.

REVITALISING YOGA - Appropriate for all levels of Yoga ability, right up to the most advanced. This class takes you through a flowing series of postures, harnessing the healing power of the mind.

REVIVE YOGA - During this 60 minute Yoga class, you will work through slow controlled movements designed to combine your breath with basic postures (asanas).

SMALL GROUP TRAINING

>With Alex - Ski prep: the session will involve specific exercises that are designed to strengthen and mobilise joints in preparation for the upcoming ski season. A primary focus will be to adequately condition the body in order to fully maximise injury prevention.

>With Dan - Pilates: An exercise method designed to elongate and reintroduce your body's postural alignment. Improve balance, coordination and build strong tension-free muscles.

>With John - Animal Flow: is an innovative body weight program that's centered largely around ground-based work. It features animal-style movements that encourage core stability and strength, joint strength, and body awareness - all without any fitness equipment.

>With Cesca - Running: Various exercises designed to compliment and enhance your running performance whilst minimising the risk of injury.

SPIN - High intensity, fun and exciting class on static bikes, using resistance to create a mixture of sprints and hill climbs set to music.

SPIN AND CORE - An intense but enjoyable class for a whole body workout that will improve your stamina, strength and endurance. Challenging all areas of the body, working on your cardio fitness, muscular definition and tone.

STRENGTH & CONDITIONING - A class designed to help improve your technique, performance and overall fitness.

Attention given to alignment, flexibility, balance and much more.

TRADITIONAL YOGA - MEMBERS ONLY - Based on the 12 most important postures, this class will strengthen your understanding of each asana (suitable for all abilities).

VINYASIA FLOW YOGA - This powerful and energetic Yoga pushes you to control your body's movement and breathing ability.

YOGA THERAPY - MEMBERS ONLY - Working with members only, this class will focus on any mobility issues you may wish to address and design a range of Asanas that you can apply to remedy the problem.

* - Chargeable class

*Outdoor classes will take place outside in the Hotel Grounds, weather permitting. Please check with spa reception to confirm location.
Due to size of our classes when we have the same type of class back to back we would ask that you only book in to one of these to allow availability for others.
If you are unable to attend a class please could you inform us as soon as possible to enable others to attend.
We do our utmost to keep to the schedule. However there may be occasions where classes or teachers are subject to change.
If you have any concerns about exercise, please consult a physician before attending.
