What you'll find...

Hidden in the heart of the New Forest, Herb House is a spa dedicated to natural well-being and inspired by its forest surroundings. Herb House instils a sense of calm, well-being and serenity – it's the perfect chilling retreat.

We like to think outside the box, so when designing the spa, we created a massive sauna with forest views, a Mud House and a steaming hot pool – the perfect place to relax outside in the heart of the New Forest. Designed over three levels the spa has eight spacious single treatment rooms and two magnificent double rooms; the Bath House with an indoor treatment bath and private steam room and the Bath Garden with its own outdoor garden bath and private steam room. You'll also find sumptuous changing rooms – with enormous showers, luxurious bathrobes, towels, flip flops and Bamford products. There are even private tubs to soak in to ease the muscles after rigorous workouts!

As you might expect our roof is not just any roof, it is a living herb garden so you can appreciate more panoramic forest views and experience the fragrance of fresh herbs – a perfect backdrop for meditation, a spot of sunbathing or a drink with friends.

In case that's not enough... there's a 'Matt Roberts' state-of-the-art rooftop gym with the very latest equipment, a 16-metre ozone-treated indoor lap pool with glass doors overlooking the garden, a Hands and Feet Room, plus a workout studio offering a wide range of classes from Kettle Bells and Spin to Yoga and Pilates. Home-grown herbs are used in creations made at '**Raw & Cured**', our food bar, which offers delicious, natural and healthy food including freshly made salads, cured fish and meat from Lime Wood's own Smokehouse, as well as fresh juices, smoothies and not forgetting wines and champagne to remind you that it's okay to indulge!

The pool floor may be slippery when wet so please walk around our pool, don't run. No diving or jumping in the water and no toys in the pool please. No children under 18 are allowed to use the other spa facilities, such as the hydropool, steaming outdoor hot pool, gym, sauna and steam rooms.
