*Outdoor classes will take place outside in the Hotel Grounds, weather permitting. Please check with spa reception to confirm location. Due to size of our classes when we have the same type of class back to back we would ask that you only book in to one of these to allow availability for others. If you are unable to attend a class please could you inform us as soon as possible to enable others to attend. We do our utmost to keep to the schedule. However there may be occasions where classes or teachers are subject to change. If you have any concerns about exercise, please consult a physician before attending.

Herb House

CENTRED YOGA	Utilises concepts contained within Yoga, ancient martial arts, meditation and breath-work coupled with a modern day anatomical approach to help correct postural imbalances and improve the function and integration of the mind and body.
FITNESS PILATES	Traditional Pilates moves performed in sequences at a higher intensity to raise your heart rate and add challenge.
INSPIRATIONAL YOGA	A soothing session of Hatha Yoga, dynamic breathing and transcendental meditation that will fill your soul with positive energy and release you from the bonds of lingering stress.
INTERMEDIATE PILATES	An exercise method designed to elongate and reintroduce your body's postural alignment. Improve balance, coordination and build strong tension-free muscles. This class is designed for members who have been practicing Pilates for a while and are looking to progress to a higher level.
IMPROVER PILATES	A class designed to accommodate all levels. You will have a full body workout, working at a slow and controlled pace with plenty of modifications and adaptations. Suitable for just about everyone. Improving balance, posture, movement and all over body strength.
MINDFUL MEDITATION	Mindfulness is a set of meditation techniques that will help you gain awareness from paying attention to your thoughts, breath and body, in the present moment, non-judgmentally, for greater sense of calm and self compassion, emotional resilience and well being."
MOBILISATION	Mobilise the arms, hips and legs..... Stretching and releasing tight muscles and proper use of rollers and trigger of movement. point balls and other equipment.
MORNING YOGA	A Preventative, maintenance and rehab class to return balance to your body and range Applying a gentle range of Asanas in a warm environment, your body will be brought alive in a soothing manner that will fill you with energy for the day. Great for a first experience of Yoga.
PILATES	An exercise method designed to elongate and reintroduce your body's postural alignment. Improve balance, coordination and build strong tension-free muscles.
POWER YOGA	A series of strong and advanced Yoga positions, designed to increase strength, balance and flexibility. Not for those new to Yoga or with an injury.
RESET	During this 45 minute class, Dave will guide you through stillness, breath-work and one of two different types of essential mobility sequences – both of these sequences are designed to mobilise your body from head-to-toe and to RESET the body following sleep, travel or after a long day at work.
REVITALISING YOGA	Appropriate for all levels of Yoga ability, right up to the most advanced. This class takes you through a flowing series of postures, harnessing the healing power of the mind.
REVIVE YOGA	During this 60 minute Yoga class, you will work through slow controlled movements designed to combine your breath with basic postures (asanas).
STRETCH & RELAX	A class that finds your tension and eases it, releases tight muscles and improves flexibility! A relaxation section completes the class.
TRADITIONAL YOGA	Based on the 12 most important postures, this class will strengthen your understanding of each asana (suitable for all abilities).
VINYASYA FLOW YOGA	This powerful and energetic Yoga pushes you to control your body's movement and breathing ability.
YANG YOGA	A variety of Yoga derived from the Chinese philosophy of Tao, Yang Yoga focuses on strengthening the muscles with active, more upward stances and warming postures.
YIN YOGA	Yin Yoga focuses on the nervous system with slower, more prone positions and is passive in practice, staying in each asana for up to two and a half minutes, activating rarely used tissues. The breath is very active, seeking to achieve a meditative stillness of mind based in the present moment.
YOGA THERAPY	Working with members only, this class will focus on any mobility issues you may wish to address and design a range of Asanas that you can apply to remedy the problem.
YOGA WHEEL	Fitness yoga to improve you strength and yoga poses with the yoga wheel using a fusion of fitness and yoga exercises.
WELLNESS	Feeling overwhelmed, stressed or anxious? Geoff's Wellbeing class combines a variety of wellbeing techniques including meditation (guided visualisations), pranayama (breath), mindfulness, mantra, crystal and sound therapy and yoga flow, to leave you feeling relaxed, refreshed and energised.
