## TEAS BY TREGOTHNAN, CORNWALL

### BLACK TEAS

#### ENGLISH BREAKFAST TEA

*Malty and rich, made with the widest variety of tea leaves ever grown in England*

#### EARL GREY TEA

*The ultimate tribute to Earl Grey, created by his descendents at Tregothnan.  
Cornish tea leaves and natural Bergamot oil.*

#### CLASSIC TEA

*The first-ever tea produced on British soil, first harvested by Tregothnan in 2005. A  
quintessentially English tea recipe blended with premium Assam leaves to give it the  
bold flavour synonymous with a strong, classic English tea.*

#### AFTERNOON TEA

*Afternoon Tea is a light and exotic blend of their hand-plucked leaves with the finest  
tea from Darjeeling. Quintessentially British, Afternoon Tea is delicately refreshing  
with invigorating citrus notes.*

### GREEN TEAS

#### GREEN TEA

*A smooth and refreshing blend of Tregothnan's greenest leaves blended with the finest  
Chinese green tea.*

#### JASMINE GREEN TEA

*Jasmine is a genus of shrubs and vines in the olive family (Oleaceae) and is a favourite  
from the Far East. Green tea leaves are lightly oxidised, dried and blended with  
delicately floral jasmine flowers.*

### HERBAL TEAS (DECAF)

#### PEPPERMINT

*This pure peppermint leaf infusion has a unique aroma to match its distinctive and  
natural taste. Clean, cleansing and intensive in flavour.*

#### RED BERRY

*Strawberries and raspberries are blended with apples from ancient Cornish apple  
orchards to create this full flavoured, natural fruit tea.*

#### LEMON VERBENA

*Due to the drying process of cold curing rather than using heat, most of the essential  
oils are retained in the leaves, giving Tregothnan's Lemon Verbena a zingy and fresh  
aroma with a subtle spice taste.*
