TEAS BY TREGOTHNAN, CORNWALL

BLACK TEAS

ENGLISH BREAKFAST TEA

Malty and rich, made with the widest variety of tea leaves ever grown in England

EARL GREY TEA

The ultimate tribute to Earl Grey, created by his descendants at Tregothnan. Cornish tea leaves and natural Bergamot oil.

CLASSIC TEA

The first-ever tea produced on British soil, first harvested by Tregothnan in 2005. A quintessentially English tea recipe blended with premium Assam leaves to give it the bold flavour synonymous with a strong, classic English tea.

AFTERNOON TEA

Afternoon Tea is a light and exotic blend of their hand-plucked leaves with the finest tea from Darjeeling. Quintessentially British, Afternoon Tea is delicately refreshing with invigorating citrus notes.

GREEN TEAS

GREEN TEA

A smooth and refreshing blend of Tregothnan's greenest leaves blended with the finest Chinese green tea.

JASMINE GREEN TEA

Jasmine is a genus of shrubs and vines in the olive family (Oleaceae) and is a favourite from the Far East. Green tea leaves are lightly oxidized, dried and blended with delicately floral jasmine flowers.

HERBAL TEAS (DECAF)

PEPPERMINT

This pure peppermint leaf infusion has a unique aroma to match its distinctive and natural taste. Clean, cleansing and intensive in flavour.

RED BERRY

Strawberries and raspberries are blended with apples from ancient Cornish apple orchards to create this full flavoured, natural fruit tea.

LEMON VERBENA

Due to the drying process of cold curing rather than using heat, most of the essential oils are retained in the leaves, giving Tregothnan's Lemon Verbena a zingy and fresh aroma with a subtle spice taste
